SUB ROSA

Join the ranks of this secretive cult. Be the only one in entire zip code with the key to this invitation only eatery and underground cocktail lounge.

sub-rosa, adjective:

Designed to be secret or confidential; secretive; private.

We are almost out of the original t-shirt. When these are gone, we'll be printing a distillery t-shirt, so get these while you can. Here is the drill: send in a check, money order or cash with your order for the t-shirts you want. We'll even throw in a disc of music out of our vast music archives when you order.

Heavy cotton. 6.1 oz. Gildan Heavyweight Ultra Cotton T-shirt.
Black t-shirt with white lettering and design
Nice, simple, clean design.

Specify your size, quantity, shipping charges and total.

Sizes available are: S, M, Large, XL, XXL

\$15 apiece plus \$3.00 shipping & handling charges per t-shirt

Note: We have a *limited amount* of women's T-shirts by Bella with a scooped neck. If you want one of these women's t-shirts instead of the standard guys t-shirt, indicate with a **W** next to the size on the order form, otherwise you get the standard men's design.

Given quantities are limited for each size, it might be best to email us at sub-rosa@comcast.net to insure we have your size still available.

Thank you for your order.
